It should be emphasized that the coach's IHSAA activity card number will be credited as having only ONE ADMISSION ELIGIBLE for each session. **Only one person will be admitted on the participating coach's IHSAA activity card** if the coach has been issued a tournament pass. Passes will be issued only to coaches with IHSAA activity cards.

Statisticians, bus drivers, "extra" cheerleaders & band members must purchase tickets for admission. The principal or designated administrator of a participating school may arrange for these people to be admitted by signing for excess admissions at the IHSAA pass gate. The school will be invoiced for extra admissions after the tournament.

Crowd Control

Each school is responsible for the conduct of its students and adult fans. IHSAA rules require schools to provide close supervision at all contests and asks for support and cooperation of administrators in enforcing the following rules:

1. No one other than authorized individuals will be allowed on the floor or in restricted areas.
2. Persons who enter the floor or restricted areas will be removed from the premises for the remainder of the tournament.

Sportsmanship Rules

The following sportsmanship rules will be in effect at all IHSAA state play-offs and championship events:

1. **Face Painting** Full face painting is not permitted. Partial face painting is ok, i.e. small markings on cheeks, nose, forehead.
2. **Posters/Banners/Signs** All signs must display only positive support for one's own team.
3. **Artificial Noisemakers** Artificial noisemakers are prohibited.
4. **Balloons** Balloons are not permitted at any IHSAA state play off or championship event.
5. **Attire** Bare chests are not permitted. Shirts must be worn.
6. **Inappropriate Behavior** The following are not permitted:
 - a. Throwing objects onto (or entering) the playing area before, during or after a contest.
 - b. Verbal harassment or derogatory remarks directed toward an opponent or official.

Pep Bands, Cheerleaders, Student Sections, Marching Groups.

1. **Seating** - Pep bands and student cheering sections must use their assigned area.
2. **Bands** - Forty-five-five band members of each school will be admitted free. Schools may bring more band members, but will be billed for the difference after the tournament. A band director or school official must be present at the time the band is admitted. NOTE: Pep bands may play only during games in which their team participates. Pep bands may play before the match, at time outs, and between games. However, **PLAYING DURING A LIVE BALL IS PROHIBITED.** Each band is responsible for its own instruments. Facilities for storing instruments are not available at the tournament site. Please bring instruments **ONLY** to the game in which your team participates. Drums and other instruments can be played only when the entire band plays.
3. **Cheerleaders** - Twelve cheerleaders in uniform for each school will be admitted free. Schools may bring more cheerleaders, but will be billed for the extra admissions after the tournament.
4. **Student Sections** - All students must present their activity cards to be admitted for the discount price. A special seating area will be reserved for student cheering sections.
5. **Halftime Activities** - Marching Bands, Color Guards or other official school organizations desiring to perform at halftime should make prior arrangements with the tournament director. Any halftime performance is limited to **twelve minutes** total time.

Home and Visiting Team Designation

Home team: The team that travels the greatest distance to the site will be designated as the visiting team. The visiting team will be assigned the largest locker room with the most showers and restrooms and will be placed on the same side of the playing field as the press box. If both teams are from the same city, the team with the highest seed will be designated as the home team. Locker room, sideline placement and student sections will be assigned at the discretion of the site manager.

Heaters and Phones (for Play-off Games)

Heaters and headphones must be made available to the visiting team if they are going to be used by the host team. When playing in a facility where headphones are provided by that facility and one set malfunctions or is unusable, the opposing team will be notified by game management to discontinue the use of the headphone until such time as both teams can have the use of headphones.

Pre-Championship Site Selections

The Board of Directors will approve the sites, dates, and times for all football play-off games. In all football play-offs, the term "host team" **should not be construed** to mean the contest will automatically be played at that team's home field.

In the semi final game (excluding 5A / 4A schools), if both teams traveled or if both teams were home, the top team will be the host. If one traveled and one team did not in the quarter final, the host in the semi final round will be the team that traveled in the quarter final round. In the championship round, all games will be played in the Kibbie Dome, Holt Arena or Bronco Stadium, if possible.

Note: The above plan will apply to 3A and 2A classifications in the second round.

All games involving Districts I-II and V-VI teams of any classification will be held in the Kibbie Dome or Holt Arena, if possible. If the games are hosted by Districts I-II-V-VI in any classification, but involve schools from Districts III-IV, then the IHSAA office will call the host and give them a choice of two sites, one of which will be the Dome. The other choice, if not the home site, will be in close proximity thereof. District Boards must submit a list of approved and suitable sites for football playoffs.

Play-off Site Requirements

Each District Board of Control must submit a list to the IHSAA of all potential sites that meet the requirements for hosting state football play-offs.

Site Requirements

- A. Adequate parking
- B. Adequate seating for the following classifications:

1A: Home team spectators - 200	4A: Home team spectators - 800
Visiting team spectators - 150	Visiting team spectators - 300
2A: Home team spectators - 400	5A: Home team spectators - 1000
Visiting team spectators - 200	Visiting team spectators - 500
3A: Home team spectators - 600	
Visiting team spectators - 250	
- C. Appropriate number of sites for ticket sales
- D. Football playing field area prepared to meet the existing weather conditions
- E. Adequate locker rooms with restrooms and showers. Player restrooms shall be separate from spectators.
- F. Adequate number of restrooms for spectators
- G. Adequate security to maintain crowd control. Play-off site management shall take necessary measures to prohibit home team fans from being in the visiting team spectator area.
- H. The football field playing area shall be secured by a barrier that is at least seven yards from the out-of-bounds line. The barrier may be a fence, rope, or any other material that is not dangerous to spectators. The barrier shall be at a height of at least 36" above the ground. The barrier shall be monitored by game security to prevent any fans or spectators from being closer than seven yards from the out-of-bounds line.

Game Football

Each team may use any legal football of its choice during those downs in which it free kicks or snaps.

Official Rules

National Federation (NFHS) rules will be used for all Idaho football games.

Pre-Tournament Practice

Teams involved in play-off games scheduled in Holt Arena or the Kibbie Dome will not be allowed to practice in these facilities. This pertains to all rounds of the State Football Championships, except the championship game. In the championship game, if one team has practiced or played in the facility during the current season and the opponent has not, a request may be made to the tournament director by the team that has not practiced in the facility on the day prior to the championship game. Site manager will determine availability practice times. If sites are available, practices will only be scheduled one day prior to the championship game. If teams wish to practice in Pocatello, contact George Brown, 237-6532; in Moscow, contact Jerry Jaques 892-1109.

Jerseys

The team in the upper bracket shall wear the dark colored uniforms.

Warm-up Between Games

Thirty minutes will be allowed for warm-up between games when more than one game is played.

Dressing Rooms / Towels

Dressing rooms will be assigned by the tournament manager. Towels **will not** be provided. Managers are responsible for removing litter from floor of locker rooms.

Training Rooms

Training room facilities will be available for special assistance in case of an emergency. Schools should plan to furnish their own tape and supplies.

Lost and Found

At Holt Arena & Kibbie Dome, the lost and found will be at the stadium manager's office. At BSU, contact the site manager.

Programs

The composition, printing and selling of programs for state championship games only is the responsibility of the IHSAA.

Protests

The IHSAA Board of Directors does not recognize protests of sports officials' decisions. Correction of errors can only be handled in accordance with the National Federation rules.

Rosters and Team Pictures

Team rosters and regular season scores may be submitted via our on-line, interactive form at idhsaa.org. Please send pictures as an attachment to an e-mail message as a high quality TIFF or JPG image to cherylm@idhsaa.org. Do not submit hard copies of rosters or scores. On-line rosters should be entered and all pictures received by 4:00 P.M., November 6 to insure placement in the program.

All-Tournament Teams

The IHSAA is philosophically opposed to all-tournament team selections. If the media wishes to conduct a poll, that is no concern of the IHSAA, but we do not want to recognize the poll by announcing it.

Radio Broadcasts / Webcasting

Only radio stations with a valid contract with the IHSAA will be allowed to broadcast. Web casting is not permitted except by the IHSAA official Webcaster, IdahoSports.com

Hotel Conduct

Each year a few athletes create a bad image for the rest by their uncontrolled behavior in hotels. Coaches are encouraged to check rooms closely upon arrival and at departure. Please make sure athletes are properly supervised.

(2) 200-300 miles one way - \$500*, (3) Over 300 miles one way - \$2000.
*Any contest between District II and District III will fall into category 3 because of the type of roads.

3. Reasonable local expenses - if the game is held in a non school facility, rent will be paid.
4. IHSAA will receive 15% of gate receipts after sales tax deduction.

 - c. Over \$4000: Home Team - 48%; Visiting Team - 52%

B. Plan when the contest is played at a site **other** than home site.

1. The following expenses will be deducted before the revenue is shared.
 - a. Percentage to State Assoc. (a) 10%, (b) 15%, (c) 20%

CHAMPIONSHIP ROUNDS

Championship Game Sites/Dates/Times

The final decision in setting sites, dates and time for each state championship game will be made by the IHSAA District Representatives and will be finalized by 10:00 a.m. the Sunday prior to the state championship game.

Selection Criteria:

A. Number of Games

1. Idaho State University — There should be at least three games, and preferably four, scheduled at Holt Arena. Two games should be scheduled on Friday. Suggested times are 1:30 p.m. and 6:30 p.m. The remaining game or games will be scheduled on Saturday, with times to be determined by ISU's football schedule.
2. University of Idaho — There may be a maximum of two games scheduled at the Kibbie Dome. If possible, games should be scheduled for Friday afternoon and evening.
3. Boise State University — There may be two games played at Bronco Stadium.. Game times and dates will be scheduled around on the Boise State football schedule.

B. Other factors determining the site of a state championship game are:

1. Travel — loss of instruction time for the two participating teams.
2. Geographical rotation based upon recency of participation of the district from which the teams are participating.
3. Availability of lodging and meals for teams, support groups and spectators.
4. Availability of the site to set reasonable game times. No game may be scheduled to start after 9:00 p.m.
5. A region may not host a state championship games two years in a row unless both teams are from the same region.

Officials

Selection and assignment of officials for state level competition is administered by the IHSAA.

Sites/Times/Bracketing for Championship Games

Sites and times will be announced on Monday, November 13. The placement of the teams in the bracket will be determined by the scheduling committee and the IHSAA. The top team in the bracket will be designated as the home team and will have the first option to provide halftime performances.

Financial Plan for Championship Finals

The following financial plan is for the state football championship finals only. Championship finals will be held on November 17 and/or 18, 2006 at one of the following sites: Kibbie Dome, Moscow; Holt Arena, Pocatello; Bronco Stadium, Boise.

One way mileage:

	<u>0-200</u>	<u>201-300</u>		<u>301-450</u>	<u>Over 450</u>
1A (8-Man)	150	500	1A (8-Man)	750	900
2A	240	800	2A	1200	1600
3A	270	900	3A	1400	1900
4A	300	1000	4A	1600	2200
5A	360	1200	5A	2000	2800

In addition to the above amount, each school that travels will receive \$3.00 per mile one way for travel. (Example: Pocatello travels to Moscow for final round. Moscow is 524 miles from Pocatello. Therefore, they would receive 524 x3 = \$1572 for mileage. Because they are a 5A school traveling over 450 miles, they would receive \$2800 additional.

The Board has no specific formula for division of gate revenues for doubleheaders and tripleheaders. The Board will review each on an individual basis.

Awards

Trophies: Awarded to first and second place teams (a third place trophy will be presented in divisions with 8 teams).

Medals: Awarded to team members of first and second place teams.

Award Presentation: At the conclusion of each championship game, the two teams will line up on the 40-yard line facing each other. The captain and the head coach should move forward to the 45-yard line where the trophy and medals will be presented.. The runner-up trophy/medals will be presented first.

(Extra Medals) The coach will be given the medals in a box. It is doubtful that any school will receive as many medals as they need because we order conservatively for financial reasons. On Monday following the championships, the principal/AD should call the IHSAA office to order additional medals needed for your team members.

Introduction of Players

The introduction of players will begin ten minutes prior to the scheduled starting time.

National Anthem

The National Anthem will be played at the beginning of Game One of each session, following the introduction of players.

T-Shirts/Souvenir Merchandise

T-shirts and state souvenir merchandise will be sold at all championship sites by McU Sports.
