Admission — Team Personnel

Coaches participating in the tournament will gain admission with a tournament pass issued by the tournament manager. Note: The participating coach's regular IHSAA activity card will allow only one (his/her spouse) entry to each session.

One manager, one statistician, one ball handler and eighteen players will receive participant passes. All other team support members must purchase tickets unless the principal / administrator of that school arranges for their admission at the admission gate. The school will be invoiced after the tournament for the above additional admissions.

Game Balls

Game balls must display the NFHS Authenticating mark. The home team (top team on the bracket) will provide two game balls and the visiting team (bottom team on the bracket) will provide one game ball. The teams shall provide the referee with the game balls 15 minutes prior to the start of the contest.

Governance

National Federation rules will be used for all IHSAA soccer games.

Home Team / Team Benches / Equipment

The team in the top bracket shall be the "home" team. The home team will wear light jerseys and will be assigned to the right side of the scorer's table (as you face it). Both teams and coaches areas are on the same side of the field. Teams must bring two sets of jerseys, stockings and their own practice balls and towels.

Number of Players

Each school represented at the tournament may have eighteen players in uniform at the start of competition. If more than eighteen players are in uniform at the start of competition, the game shall be forfeited.

Officials

Officials will be provided by the IHSAA. There shall be a single referee and two assistant referees who will be assisted by at least two ball holders, located at each end of the field.

Pre-Tournament Practice

Traveling teams who wish to practice in the locale of the state tournament should contact the tournament manager for a site and time.

Protests

The IHSAA Board of Directors does not recognize protests of sports officials' decisions. Correction of errors can only be handled in accordance with the National Federation rules.

Tie Games

District, play-off and state tournament games that are tied at the end of 80 minutes will be resolved as follows:

1. Two (2) sudden death (10) ten minute overtimes will be played. If the game is still tied after the two (2) 10 minute overtime periods, kicks from the penalty mark with five (5) members from each team alternating kicks. After all five (5) members from each team complete their penalty kicks, the team with the most goals is the winner.
2. If a tie still exists, each coach will select five (5) players (different than the first five (5) who already kicked), to take kicks in a sudden victory situation wherein if one team scores and the other team does not score, the game is ended without further kicks being taken.
3. If the score remains tied, sudden victory kicks will continue, with the coaches selecting any five (5) players to take the next set of alternating kicks. If the score still remains tied, repeat this procedure until the tie is broken.

Warm-up Between Games

Teams will have at least twenty minutes of warm-up between games. Because of facility constraints, the tournament time schedule will be followed as closely as possible.

All-Tournament Teams

The IHSAA is philosophically opposed to all-tournament team selections. It is the right of the Media to conduct polls and establish rankings. However the IHSAA will not participate in such selections nor announce them at the tournament.

Awards

Trophies will be awarded to first, second, third, and fourth place teams. Medals will be awarded to members of the Champion and Runner-up teams. Presentation of Awards will be as follows: Fourth and third place trophies will be awarded at the conclusion of those games. Second place and championship trophies will be presented at the conclusion of the championship game.

Crowd Control / Sportsmanship Rules

Each school is responsible for the conduct of its students and adult fans. IHSAA rules require schools to provide close supervision at all contests and asks for support and cooperation of administrators in enforcing the following rules:

1. No one other than authorized individuals will be allowed on the field or in restricted areas.
2. Persons who enter the field or restricted areas will be removed from the premises for the remainder of the tournament.

Hotel Conduct

Each year a few athletes create a bad image for the rest by their uncontrolled behavior in hotels. Coaches are encouraged to check rooms closely upon arrival and at departure. Please make sure athletes are properly supervised.
